East Timor must be free

Do you want to know more about what is happening in East Timor and what you can do that is practical?

This is a critical time for the Timorese people. Greater publicity of the Timorese cause has given us new opportunities. We all need to offer real solidarity.

PRAXIS IS FORMING A FITUN GROUP WHICH WILL

- lobby for human rights and self-determination
- inform ourselves and the general public of the issues
- assist with the production and distribution of Fitun

If you are interested then please attend a meeting on

Monday March 16th at 7.00pm

Praxis, Bethnal Green United Reformed Church, Pott Street, London E2 0EF (off Bethnal Green Road)
